

THE DEMOGORGON CIRCUIT

Task 4 – “The Mind Flayer Test”

Objective:

Test your memory under pressure. Only the sharpest minds survive.

Platform:

You will use the Human Benchmark Memory Test:

 <https://humanbenchmark.com/tests/memory>

Challenge Rules:

1. This is a **Mouse Only** challenge. (Keyboard usage is not allowed.)
 2. One team member will control the mouse.
The second member may assist verbally.
 3. You must reach **Level 10**.
 4. The moment you complete Level 10:
 - Stop immediately.
 - Do NOT continue to Level 11.
 5. Raise your hand and call the volunteer.
-

Scoring System:

- Your **final time at Level 10** will be recorded by the volunteer.
 - Faster completion time = better ranking.
-

Important:

- Refreshing the page mid-attempt might lead to the reset of the entire task.
- Switching tabs is not allowed.
- Any unfair practice will lead to disqualification.
- Volunteers may monitor screens randomly.
